

Langley Lodge No.184 A. F. & A. M.
FROM THE EAST – December 2010

Dear Brethren,

As the holiday season approaches and thoughts turn to our families, we think of getting together with those relatives that we don't see very often, except at family gatherings and special events. I would like to take this opportunity to send a special greeting to those brethren that we don't get to see on a regular basis at our meetings.

If your work schedule or health situation doesn't allow you to attend meetings regularly, please feel free to drop us a line and let us know how you are doing, we would love to hear from you. If you don't like to drive at night, just let us know and we will have someone give you a ride to and from the hall. If your health situation prevents you from attending lodge, then we can bring lodge to you, by having some of the brethren visit with you at your home.

Each time we meet as a lodge, we ask if anyone knows of a brother in sick or distressed circumstances. If you ever find yourself in like circumstances, remember that you are not alone, you have brethren that care about you and we are here to help. Sometimes it is hard to ask for help, but we all face adversity from time to time, and going through it alone is un-necessary. Freemasonry does not end at the lodge room door.

I would like to personally thank all the brethren who attended our Grand Master's official visit to District 23. It was great to see all of you there, I counted close to 20 brethren who are members of Langley Lodge in attendance. It was very special to witness the Grand Master present our brother Dr. John Smith with his 50 Year Jewel.

Thank You! Your comments and feedback are always appreciated directly or through the Secretary.

Sincerely & Fraternaly,

Wor. Bro. Darcy Dowding
Worshipful Master, Langley Lodge 184
